Dear Sir,

LETTER OF COMMENDATION FOR MEGATON SHIPPING PTE LTD

The Singapore Police Force Band (SPF Band) travelled to Halifax, Canada for the Royal Nova Scotia International Tattoo 2018 (RNSIT18) from 21 June to 3 July 2018. Megaton Shipping Pte Ltd was appointed to be our cargo handler for the trip.

2 Megaton Shipping Pte Ltd planned the cargo shipment's timeline efficiently. Their eye for detail ensured that the cargo items were delivered on time, allowing the SPF Band to fully focus on our rehearsals and performances. In addition, they were also aware of the different public holidays in Canada and ensured that the cargo was returned to Singapore on time without disruption

3 Megaton Shipping Pte Ltd also went the extra mile in updating us the location of the cargo at each checkpoint. Their diligence and professionalism ensured that our cargo items arrived on time and without damages.

4 It was a pleasure to have had Megaton Shipping Pte Ltd to handle our cargo items.

5 Thank you.

Yours Sincerely,

Superintendent of Police Amri Amin
Director of Music

Shipments of Race Car for The Singapore Polytechnic

The Singapore Polytechnic engaged Megaton to transport their solar car from Singapore to Australia for a race around Australia. Much care was taken to ensure that the car was physically handled carefully and thereafter a smooth customs clearance and delivery in Singapore. After the race, Megaton transported the car back to The Singapore Polytechnic grounds via seafreight.

ASEM 09 Meeting in Vientiane, Laos

Megaton is privileged to be appointed as the shipping partner for the renown ASIA-EUROPE (ASEM) 9 SUMMIT held in Vientiane, Laos – 2012. Our role was to coordinate with multiple stakeholders in ensuring the smooth conveyance and return of conference equipment from various origins, both Europe and Asia. Teamwork, Precision and Timing were keys to determine this uphill task being carried out successfully. We thank our client for entrusting us with this challenging but rewarding project.

Transshipment of Reels from Singapore

Handling the transshipment of 2 units of reels in Singapore which involves the transferring of the reels in between berths. The work required the trucking and barging combination which facilitated eventually shipping the reels from Singapore.

Oil & Gas Cargo Project – Aktau, Kazakhstan

To ensure the safe carriage and transportation of Oil and Gas Cargo, Megaton sets high standards and specific procedures for their operation to follow through. Our client chose to entrust us with this sophisticated project which, requires Multimodal transportation, to transport their Oil and Gas cargo to Aktau, Kazakhstan. In this project, Gas cargoes were shipped in Flat Racks and Open Tops to a major European port with transit via trucking to Aktau.

Shipping of Yacht from Shanghai to Singapore

Megaton was assigned a unique project that requested the shipping of a luxury yacht from Shanghai to Singapore. We assisted the client in the freight, customs clearance, off-loading of the yacht and finally bounded for the final destination at the marina.

Relocation of Tanjong Pagar Railway Station

The Tanjong Pagar Railway station which was also called Keppel Road Railway station, managed by Malaysia's operator - KTM, moved the railway station out of Singapore in 2011.

Megaton was honoured to have undertaken such a renown historical project as this, to relocate the Tanjong Pagar Railway Station to Malaysia. This project did not just involve the transportation of railway tracks, sleepers, artefacts, ornaments etc but also saw the relocation of over 100 KTM staff's residences. The project was specially credited to the efforts of our Malaysia's office – Navegacion Logistics Sdn Bhd (Johor).

Heavy Lift to Alexandria

Shipment of 2 x 200 tons tug boat were effected in year 2004. The 2 tug boats were towed on barge from Singapore shipyard to Singapore's anchorage, where the heavy lift vessel picked the 2 over-side tug boats with their heavy lift cranes onboard. The vessel set sailed for Alexandria thereafter a day's work.

Heavy Lift to Dubai

Year 2003 saw the strengthening of Singapore's economic relationship with the Middle East, UAE. Megaton being a forerunner also participated in a project which shipped a 1 x 130 tons Tug Boat to Dubai, UAE. The tug boat was barged to Pasir Panjang wharf and secured alongside the mother vessel. Using the vessel's 200 tons crane facility, the tug was lifted, loaded and secured onto the hatch of the mother vessel. Within hours, the vessel departed smoothly for Dubai.
